

Husqvarna DC 1400

DC 1400 is a versatile dust collection unit for wet and dry applications. It is ideal for smaller jobs when a high level of portability is wanted. This new product is the perfect complement to PG 400, PG 280, K 3000 Vac and DM 220. DC 1400 is supplied complete with hoses and accessories. Two special developed adaptors are included for perfect attachment to our recommended Husqvarna products.

AUTOMATIC DUST FILTER CLEANING

Automatic dust filter cleaning prevents clogging while working.

AUXILIARY START/STOP SYSTEM

Auxiliary start/stop system enables remote start /stop of the DC 1400 when starting/stopping a connected machine.

LONG HOSE

The long hose of 4 +2.5 m enables DC 1400 to perform on a large area

MULTI ADAPTER

DC 1400 is delivered with Husqvarna adaptor, allowing easy connection to PG 400, PG 280, K3000 VAC and DM 220
